

Amira Sayitkulova

Bachelor of Architecture

+998 90 123 69 10 • amirasayit2017@gmail.com • portfolio.amira.tilda.ws • Tashkent, Uzbekistan

PROFESSIONAL PROFILE

Third-year architecture student with experience in design studios, construction documentation, and academic support. International background: 12 years of education in Japan, near-native Japanese proficiency (JLPT N1). Ongoing independent research on the psychological impact of architectural environments on human perception — light, scale, spatial organization, and public space.
